The Out To Innovate™ Scholarships

for LGBTQ STEM Students were established by NOGLSTP, following NOGLSTP's inaugural Out to Innovate™ Career Summit for LGBTQ People in STEM in 2010. These scholarships are intended for undergraduate and graduate students pursuing degrees in science, technology, engineering, or mathematics (STEM) programs who identify as lesbian, gay, bisexual, transgender, or queer or who are an active ally of the LGBTQ community. The scholarships are designed to promote academic excellence and increased visibility of talented LGBTQ students in STEM careers.

The Out to Innovate™ Scholarships mission is to:

- **Award scholarships** to LGBTQ or LGBTQ-supportive students currently enrolled in Science, Technology, Engineering, or Mathematics (STEM) or STEM-related teaching fields.
- **Honor students** who support a creative educational community that increases the visibility and the accomplishments of LGBTQ and LGBTQ-supportive students
- **Encourage students to be out** in their careers and support diversity in the STEM workforce

Scholarship Awards:

Two \$5000 scholarships are awarded for the Fall academic year. One \$5000 scholarship goes to an undergraduate student, and one \$5000 scholarship goes to a graduate/professional level student. Students currently enrolled at any U.S.-based college or university are eligible to apply.

Award Guidelines:

- Scholarship awards will be paid in the Fall semester/quarter only.
- Scholarships must be used in the academic year awarded.
- Scholarships might not be available every year.
- Scholarships must be used for educational expenses only, which include tuition, textbooks, e-textbook subscriptions, educational supplies, research supplies, registration for professional meetings at which the awardee is presenting a poster or talk, travel/accommodations for professional meetings at which the awardee is presenting a poster or talk.

Eligibility:

- Successful completion of a minimum of two years of post-high school education at an accredited college or university
- Maintenance of a minimum grade point average (GPA) of 3.0 (on 4-point scale) for the entirety of college/university enrollment
- A declared major in an accredited STEM program or STEM-related teaching field
